

Who we are

The South African Banking Risk Information Centre (SABRIC) is a public benefit organization focusing on combatting banking and financial crime and making the banking sector safer.

SABRIC's mission is to contribute to the effectiveness of the partnerships between its members and stakeholders for the benefit of the banking industry by:

- Facilitating information exchange and cooperation between its members, regulators, and law enforcement,
- Partnering and rendering technical services to SABRIC members or the state (upon request) and
- partnering with members or stakeholders to carry out projects approved by the board.
